DECISION MAKER PLUS

We are Experienced Professionals

offering Comprehensive Services

providing Long-Term Results.

Decision Maker Plus

We have nearly 30 years of experience in the Kansas City area serving individuals, business professionals and business owners like you.

We understand that money is not why you work; but rather it is a tool you can use to enjoy the things in life that matter most to you.

You are the *Decision Maker*.

We know you need enhanced tax and planning services.

Through *Decision Maker Plus* we offer a full range of services that will help you establish goals and develop action plans to achieve the growth and quality of life you seek.

We are professional, prompt and precise.

PLUS we strive to remain personal and approachable while bringing you the comprehensive financial strategies and planning you need.
